4. FAQ

Are they comfortable?

Absolutely yes, thanks to cotton which is skin friendly. You feel comfortable and confidence because your shirt is perfectly tucked in your trousers.

Can they damage my shirt?

Of course not, because the inside part of the clip is made from plastic material. Just the plastic material protects your shirt.

Does anyone see I wear them?

No, they are safely hidden under your trousers so there is no chance to see them. We can guarantee it

Does anyone really wear?

Yes, more than 2500 czech men wear our shirt stays. Mostly entrepreneurs, lawyers, managers, university students.
